

RECENT SELECTED PROJECTS

Employer	Description of Contract	Type of project
ACSA	George Airport: Energy efficiency upgrade & LED installation	Building: Electrical, Electronic & Energy Efficiency
Century Properties	The Hills Estate 40 Apartments and 230 stands	Electrical Eng. Services
Century Properties	The Hills Estate Erf 906, Erf 2 and apartments	Electrical Eng. Services
Century Properties/HOA	The Hills Estate 15 MVA bulk supply	Electrical Eng. Services
George Municipality	Thembaletu: Main 11kV cable upgrade	Electrical Eng. Services
George Municipality	Thembaletu: USIP housing informals Area 3 & 8C (±276 houses)	Electrical Eng. Services
George Municipality	Thembaletu: 66/11kV Substation	Electrical Eng. Services - Substation
George Municipality	Thembaletu: USIP housing - Formal & informal (±351 houses)	Electrical Eng. Services
George Municipality	Herolds Bay: 66 kV power line upgrade to steel poles	Electrical Engineering Services
Groenkloof Annex	Retirement Village and stands (ongoing)	Electrical Eng. Services
Knysna Municipality	Main sub to Cemetery sub 11kV cable upgrade	Electrical Eng. Services
Knysna Municipality	Brackenhill streetlights	Electrical Eng. Services - Lighting Streets
Ledevco Development	Knysna Lifestyle Estate	Electrical Eng. Services
National Department of Health	Mossel Bay: Group D Hospital & LED installation	Building Electrical & Electronic & Energy Efficiency
National Department of Health	Oudtshoorn: Group D Hospital	Building Electrical, Electronic & Mechanical
PG Bison (MDL electrical)	Water pump scheme on 3.3kV	Electrical Eng. Services
Plettenberg Bay Municipality	Plettenberg Bay: Main 11kV cable & power line upgrade	Electrical Eng. Services
Private	Karookraal phase 1 to 6 - Reticulation	Electrical Eng. Services
Private	Boshoff Visser shopping centre	Electrical Eng. Services
Private	The Crags: Athena 20kW solar plant	Renewable energy - Solar
Private	Knysna: Entabeni 200kWp solar plant & residential development	Renewable energy - Solar
Prov Government Western Cape, Department of Public Works	Concordia: Primary school	Building Electrical, Electronic & Mechanical
QS3 Group & Raubex Construction	Residential, commercial, hotel & hospital	Electrical Eng. Services
SANRAL (SMEC)	Wildernis: N2 streetlights	Electrical Eng. Services - Lighting Streets
Mossel Bay Municipality	Hartenbos regional 11kV injection substation	Electrical Eng. Services - Substation
Private	Knysna Lifestyle Estate: Load control system	Electrical Eng. Services - Load Control
Aldanah (Pty) Ltd	Aldanah estate and commercial centre phase 1	Electrical Eng. Services
Pat Davies	The Crags: Athena 20kWp grid tied, battery back-up system	Renewable energy - Solar
Mossel Bay Municipality (MDL engineering)	Upgrade of South 66/11kV substation (for Contractor)	Electrical Eng. Services - Substation

Mossel Bay Municipality	Kwanonqaba: High mast lighting	Electrical Eng. Services - Lighting
Mossel Bay Municipality	Regional sewerage biomass pilot power plant	Electrical Eng. Services
ACSA	Bram Fischer Airport: 750kWp Grid connected solar plant	Renewable energy - Solar
Earp Construction	Earls Court Phase 1 to 3 and grouphousing	Electrical Eng. Services
Knysna Municipality	Sedgefield East 11kV substation upgrade	Electrical Eng. Services
Mossel Bay Municipality	Upgrade of South 66/11kV substation	Electrical Eng. Services - Substation
Oudtshoorn Municipality	Rosevalley: Electrification phase 3 (221 houses)	Electrical Eng. Services
Oudtshoorn Municipality	Dyseldorp: Waste water treatment works	Waste Water Treatment Works
Private	The Hills Estate: Private metering (AMR) - 114 credit meters, 443 STS prepaid	Electrical Eng. Services - Metering
Private	Ideal Lighting: Solar commissioning	Renewable energy - Solar
ACSA (VE Reticulation)	Port Elizabeth Airport: High mast lighting (for Contractor)	Electrical Eng. Services - Lighting
Prov Government Western Cape, Department of Public Works	Thembaletu: Secondary school	Building Electrical, Electronic & Mechanical
South Cape College LED Investigation	George: Investigate energy efficiency at Head office - Report	Building Electrical & Electronic & Energy Efficiency
University of Johannesburg	Bunting Road Campus: 300kWp Solar plant commissioning	Renewable energy - Solar
Mossel Bay Municipality	D'Almeida Stadium: High mast lights for fields B&C	Electrical Eng. Services - Lighting
Earp Construction	Mooikloof Estate phase 1	Electrical Eng. Services
Energy Partners	West Coast Mall: Solar glare study	Renewable energy - Solar
Plattner Golf (Fancourt)	Montagu Ridge and streetlighting	Electrical Eng. Services - Lighting Streets
Oudtshoorn Municipality	Rosevalley: Electrification phase 2 (390 houses)	Electrical Eng. Services
Plattner Golf (Fancourt)	Noem Noem Villages	Electrical Eng. Services
Plattner Golf (Fancourt)	Medium voltage ring upgrade	Electrical Eng. Services
Private	York Industrial Park: Private metering (AMR)	Electrical Eng. Services - Metering
Private	Berg n See: Private electricity metering (AMR)	Electrical Eng. Services - Metering
Private	Berg n See: Private water metering (AMR)	Electrical Eng. Services - Metering
Private	Emmaus: 27kWp Solar commissioning	Renewable energy - Solar
Sanparks	Skukuza Solar Plant: 850kWp Gridtie	Renewable energy - Solar
Sanparks	Lower Sabie Solar Plant: 640kWp gridtie	Renewable energy - Solar
SANRAL (SMEC)	Kimberley: Streetlights	Electrical Eng. Services - Lighting Streets
ACSA	George Airport: Lightning protection report	Electrical Eng. Services
Century Properties	The Hills Estate 190 apartments in 19 blocks	Electrical Eng. Services
George Municipality	Thembaletu: USIP housing - Informals Area 25 & 27 (\pm 160 houses)	Electrical Eng. Services
George Municipality	Thembaletu: Masterplan update	Electrical Eng. Services
Private	Amble Ridge: Frail Care Estate	Building Electrical & Electronic
Private	Amble Ridge: Frail Care Estate - Reticulation	Electrical Eng. Services
Private	Kleinbrak Spar: 90kWp Solar commissioning	Renewable energy - Solar
Prov Government Western Cape, Department of Public Works	Rheenendal: Primary school	Building Electrical & Electronic

Prov Government Western Cape, Department of Public Works	Concordia: Secondary School	Building Electrical, Electronic & Mechanical
University of Pretoria	Groblershoop: Hydro generation	Renewable energy - Hydro
ACSA	George Airport: Weather office	Electrical Eng. Services
ACSA	George Airport: Terminal building main sub upgrade	Electrical Eng. Services
ACSA	George Airport: 1000kWp Grid connected solar plant	Renewable energy - Solar
ACSA	Kimberley Airport: 500kWp Grid connected solar plant	Renewable energy - Solar
ACSA	Upington Airport: 500kWp Grid connected solar plant	Renewable energy - Solar
Baviaans Municipality	Steytlerville: Grootkloof pump scheme & water treatment	Telemetry
George Municipality	Thembaletu: USIP housing - Area 4B (±288 houses)	Electrical Eng. Services
George Municipality	Thembaletu: USIP housing - Area 4A (±825 houses)	Electrical Eng. Services
George Municipality	Thembaletu: USIP housing - Informals phase 2 (±390 houses)	Electrical Eng. Services
George Municipality	Thembaletu: USIP housing - Informals phase 2 (±390 houses)	Electrical Eng. Services
Mossel Bay Municipality	Kleinbrak: Water treatment works generator - 800kVA	Electrical Eng. Services - Generator
Mossel Bay Municipality	Tergniet: Indoor 11kV switching substation	Electrical Eng. Services - Substation
Mossel Bay Municipality	Infrastructure asset management plan	Electrical Eng. Services
Private	House Wolmarans - Electrical	Building Electrical & Electronic
Private	Savannah helicopter hanger	Building Electrical & Electronic
Private	Valley storage	Building Electrical & Electronic
Private	House Wolmarans: PV system	Renewable energy - Solar
Private	Valley Storage: PV system	Renewable energy - Solar
Prov Government Western Cape, Department of Public Works	Knysna: Secondary school	Building Electrical & Electronic
SARS	SARS Office, George: Electrical & LED installation	Building Electrical & Electronic & Energy Efficiency
University of Pretoria	Kwa Madiba: 50kW Hydro generation AC	Renewable energy - Hydro
Baviaans Municipality	10km 22kV Eskom self build power line & 3.3kV pump scheme	Electrical Eng. Services
City of Tshwane	Annlin Hydro Power Plant Grid-tie	Renewable energy - Hydro
Department of Rural Development and Land Reform	Beaufort West Youth Hub	Building Electrical, Electronic & Mechanical
George Municipality	Thembaletu: USIP housing - Informal phase 1 (±800 houses)	Electrical Eng. Services
Mossel Bay Municipality	Hartenbos Riviera: 150kVA Sewerage pump station generator	Electrical Eng. Services - Generator
Oudtshoorn Municipality	Rosevalley: Electrification phase 1 & TRA (±700 houses)	Electrical Eng. Services
University of Pretoria	Bloemwater: 100 kW Hydro generation	Renewable energy - Hydro
University of Pretoria	Bloemwater: 100 kW Hydro generation	Renewable energy - Hydro
George Municipality	Thembaletu: USIP housing - Area 4C (±620 houses)	Electrical Eng. Services
MassBuild	Builders Express	Building Electrical & Electronic
Private	De Caravel	Building Electrical & Electronic
Private	Stilbaai Clinic	Building Electrical & Electronic
South Cape College	Mossel Bay Campus: 300kVA Generator	Building Electrical & Electronic

ACSA	George Airport: Main sub LV panel replacement	Electrical Eng. Services
ACSA	George Airport: 11 kV Main supply and switchgear upgrade	Electrical Eng. Services
Baviaans Municipality	Willowmore and Wanhoop: WTW system upgrade	Telemetry
George Municipality	Pacaltsdorp: 11 kV Bulk supply for housing on Erf 325	Electrical Eng. Services
George Municipality	Schaapkop: 3X 120MVA, 132/66 kV substation & 66 kV power lines	Electrical Eng. Services - Substation
George Municipality	Herolds Bay: 66/11 kV Substation & 8.5km 66 kV power line	Electrical Eng. Services - Substation
Knysna Municipality	Sedgefield: 2x 10 MVA 66/11 kV main substation upgrade	Electrical Eng. Services - Substation
Mossel Bay Municipality	Kleinbrak: 22/11 kV Indoor substation, 2x 3 MVA transformers	Electrical Eng. Services - Substation
South Cape College	Mossel Bay Campu., Phase 1 upgrade	Building Electrical, Electronic & Mechanical
ACSA	George Airport: 11kV Upgrade & Main road lighting	Electrical Eng. Services - Lighting Streets
George Municipality	Pacaltsdorp: Housing (Erf 325 - 904 houses)	Electrical Eng. Services
PetroSA	PetroSA: Wellness centre	Building Electrical, Electronic & Mechanical
South Cape College	George: Head office	Building Electrical, Electronic & Mechanical
ACSA	George Airport: Sewerage and water system upgrade	Telemetry
Oudtshoorn Municipality	Master planning & load flow study	Network study
Distell	Maturation stores zone 1 electrical upgrade	Electrical Eng. Services
George Municipality	Master planning & load flow study	Network study
Mossel Bay Municipality	Load flow study	Network study
ACSA	George Airport: Sewerage system upgrade	Electrical Eng. Services
Baviaans Municipality	Steytlerville: Water system upgrade	Telemetry
Plattner Golf (Fancourt)	Montagu Ridge (\pm 48 houses)	Electrical Eng. Services
Private	Oyster Walk: Flat complex	Electrical Eng. Services
Sanparks	Tsitsikama National Park: 11kV Changeover genset supply - 500kVA	Electrical Eng. Services - Generator
Aslo	Fernwood Estate, Knysna	Electrical Eng. Services
Bluecore Investments	The Hills Estate (\pm 2100 houses)	Electrical Eng. Services
Oudtshoorn Municipality	Golf 22/11kV substation	Electrical Eng. Services
Plattner Golf (Fancourt)	Maintenace facilities	Building Electrical & Electronic
Private	Eco Stop	Building Electrical & Electronic
Roshcon	Gas turbine generators (Control centre supply and air conditioning)	Electrical Eng. Services
Seemeeupark (Pty) Ltd	Seemeeupark (\pm 650 houses)	Electrical Eng. Services
ACSA	George Airport: Aeronautical grounding lights	Electrical Eng. Services - Lighting
George Municipality	Thembaletu: Main streetlights	Electrical Eng. Services - Lighting Streets
George Municipality	Maraiskamp (\pm 500 low cost houses)	Electrical Eng. Services
Knysna Municipality	Sedgefield: Master planning & load flow study	Network study
Plattner Golf (Fancourt)	The Links Ridge (\pm 39 houses)	Electrical Eng. Services
Oudtshoorn Municipality	Schoemanshoek: 22/11kV Sub & 15km power line	Electrical Eng. Services
Plattner Golf (Fancourt)	Links golf course 4km 66kV cables	Electrical Eng. Services
